TEEN INK, BULLYING UNDER ATTACK: STORIES WRITTEN BY TEENAGE BULLIES, VICTIMS, AND BYSTANDERS

[DOWNLOAD](#)

HEALTH COMMUNICATIONS, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. WORDS ARE POWERFUL- they can inflict damage and they can heal. In this anthology of first-person accounts written by teenagers for both their peers and adults, words transform pain into hope and the possibility for change. Bullying Under Attack is an eye-opening anthology of all three players in the bullying cycle. These conversational essays on life as the bullied, the bully, and the bystander provide insight and inspiration for change. Rather than offer a cumbersome psychological breakdown, this graceful and hard-hitting book places the reader firmly in the shoes of all involved. The stories written by The Bullied explain the subtleties and agony of harassment, helping readers understand that there is more to unkind words and behavior than just joking around. Although many of these teens have suffered through harassment by their peers, their essays are both empowering and inspiring. By exploring the essays by The Bullies, readers will discover that the bullies are often times incorrectly labeled as bad kids, but many are simply trying to fit in, despite their own insecurities and fears. While these bullies may still have their own seemingly insurmountable obstacles at home, they share their experiences and insights hoping to manage and reforming other bullies. The section voiced by The Bystander shares tales of those who have regrettably watched and those who have stepped up to help others. Here, readers will find the inspiration to speak out rather than just standing by while others are emotionally harmed. Whether due to race, weight, or jealousy, there are a myriad of reasons WHY. Included in this startling compendium of personal stories that convey the complexity and nuances of what it means to be bullied, are stories of...
