The BIG Disc of ABA Programs

By Michael M. Mueller and Ajamu Nkosi

Stimulus Publications, 2010. Other. Book Condition: New. After the ABLLS-R has been completed, educators are often left wondering how to transform the results into empirical IEP goals and quality ABA training programs. With the BIG Disc of ABA Programs those concerns are a thing of the past. Each detailed program can be used with dozens of different children. Each program contains specific instructions for data recording and implementation for baseline and ABA teaching. Each program is customizable for different children and their unique settings, teachers, reinforcers, and steps pertaining to each program. Benefits Why pay a behavior analyst to write your programs? Why spend hours writing your own? The BIG Disc of ABA Programs contains more than 500 precisely written, printable, ABA program protocols for every teachable step in the ABLLS-R. Each of the more than 500 printable teaching programs contains: A well-written IEP and program objective A complete baseline implementation procedure A complete ABA teaching procedure Detailed data collection procedures for each program A customizable protocol for individualization so the printable protocols can be used with multiple children. Custom fields include: Student name Teacher name Materials needed Reinforcers Baseline procedures ABA teaching procedures Simply identify teaching goals through the...
