Probably the true state of the case was well known to Platos contemporaries, and these anachronisms gave them no concern, because they knew that the names of the interlocutors were only used as a vehicle for conveying the philosophy of the Academy. It would not have been needful to say thus much, had not the notion been very general that we were to look for the doctrines of Socrates in the writings of Plato. A very elegant French translation, lately published by M. Cousin, places these most delightful writings within the reach even of those who cannot read the original. Prodicus is said to have been put to death in the game manner as Socrates. V. Suidas. Even the doctrines of Plato himself are not always to be found clearly set forth in his...
