Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Vegetable Brownies, on a Frolic: An Extravaganza in One Act Prepare a curtain of cambric or any suitable material. Let it be blue to represent the atmosphere. The size of the curtain must be determined by the size of the stage. The vegetables are painted on paper and then cut out. Any one with a little skill with crayons or the paint brush can make a fairly good likeness of these common vegetables. They can be molded from crepe paper if found easier to those managing the entertainment. The vegetables should be of exaggerated size. Some sense of proportion must be maintained, however. Brownie legs and feet are fastened to each of the vegetables; also arms. They should be fastened so that some look as if dancing, some running and some with toes turned in. The man in the moon has no legs or arms. He is represented by a full moon made of silver paper. A hole is cut large enough for the face of the performer. He wears a white mask tinted with silver. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
