Foreign Direct Investment in China

By Jian Hai Lin

Praeger. Hardcover. Book Condition: New. Hardcover. 296 pages. Dimensions: 9.2in. x 6.1in. x 0.7in. Written for international business managers and executives, this book offers a comprehensive and authoritative discussion of foreign direct investment in the Peoples Republic of China. The authors note at the outset that although the events of Tiananmen Square brought both trade and investment to a virtual standstill, new investment is now again flowing into China (but at a guarded pace). For those wishing to pursue the numerous opportunities that still exist, this volume offers a full analysis of the risks involved, a thorough treatment of the different forms of investment activities in China, complete coverage of Chinas investment policies and incentives, and specific case studies of foreign direct investment in China. The authors begin by providing an overview of the Open Door Policy and Chinas economic and managerial systems. Next, they discuss special economic zones and open cities; investment policies, such as flexible foreign ownership and choice of investment location; new incentives after 1986; and investment motivations. The modes of foreign investment covered include equity joint ventures, contractual joint ventures, wholly foreign-owned enterprises, joint oil exploration, compensation, and trade. Separate chapters analyze foreign investment inflows, identify the...
