Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As a mom of four, I understand parenting is one of life's greatest adventures. Our kids do not come with instruction manuals. They are unique -- each one contains different gifts, talents, likes and dislikes, and what works for one does not work for all. Through every stage and season, it's great to know we don't have to parent on our own. We can lean on God for wisdom, discernment, guidance and support. We can allow His love to fill us up and flow through us. And, we can link arms with family and friends who will uplift, encourage, and pray with us on the journey. This book is a collection of stories from my life; real life experiences and teachable moments from my family, with supporting scriptures and Biblical principles. You may laugh, you may cry, but my greatest desire is that you will feel encouraged in knowing you are not alone in what you experience as a parent.
