Paul Moehring, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Spiritual Warfare Ensemble: firstly, this book was originally entitled as Weathering The Storm: then failed to rank well with that title. I couldn't find it either. And that's why you're seeing these un-verified reviews, as reviewers kindly reposted to this new title, but without purchasing another book. A Spiritual Warfare Ensemble: Contending with- Demonic Oppression - is the accounting of my lifetime's demonic oppression. Spiritual warfare that ripped to a head with the death of my schizophrenic older brother Walter, and the transfer of his many demons to me, initially, without my knowledge. That underhanded invasion brought about a devastating attack of sudden-onset schizophrenia, his schizophrenia. This brutal attack, this spiritual warfare was to be defeated in Christ, and that's the central core of the story. My tale of an ongoing sanctification process, a rich accounting a reporting on, and an unveiling of grace and spiritual authority discovered and put into action. This book explains, details and documents how I won that victory, it's an illustrated action plan and my testimony in its essentials. It's my one stop rebuttal to the designs of the demonic. It's what I was searching for when I desperately needed help and couldn't find it. It's my thumb in the eye, personal sanctification and spiritual warfare manual, aimed right back at all the enemies I so soundly defeated! Altogether, there are many ways to skin a cat, but this book in its real-life experiences, has to be one of the most comprehensive resources for self-deliverance and spiritual warfare available! Lord Bless!.
