Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, The Haunt of Fate, V. R. Wilson, On a trip to Australia to visit friends following the death of her beloved husband, Estelle cannot escape the idea that he did not die an accidental death. It seems to her that fate had a hand in taking her husband from her, and gradually she starts to put together the pieces of what happened. With the support and advice of friends, and the strength of her own convictions, the threads which lead away from that fateful night start to pull her back to it, and a picture starts to emerge of the people involved and how they may all be interconnected. As her investigations continue and secrets emerge, it starts to become clear to Estelle that although cruel fate placed them in the wrong place at the wrong time, it could finally be starting to work in her favour.
