Brand New Book ***** Print on Demand *****.Bernard Jones was 20 years old when he was drafted into the Army to serve in the Korean War. This book was written 60 years later to capture his memories and experiences during one of the bloodiest conflicts in history. From Basic Training to combat to beyond, Bernard s devotion to duty and love of country is detailed in the pages of this book. After Bernard s discharge from the Army he continued to serve his community and country. He maintained lifetime memberships with Veterans of Foreign Wars posts and actively held offices and performed various military duties for decades. He attended annual reunions with Able Battery members of the 999th Armored Field Artillery Battalion throughout the United States and beyond. The Korean War, often referred to as the forgotten war, was never forgotten for Bernard.
