Lulu.com, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The George Bush School of Government and Public Service, the European Center of Excellence at Texas AM University, the George Bush Presidential Library Foundation, the Department of the Army s Eisenhower National Security Series, and the U.S. Army War College s Strategic Studies Institute were proud to sponsor the Future of Transatlantic Security Relations Conference held at the Bush Presidential Conference Center in College Station, Texas, on March 8, 2006. A number of scholars from all over the United States and Europe came great distances to participate in the discussions and seminars. We appreciated their efforts, and I believe we have captured their remarks and ideas faithfully within this conference report. The Transatlantic Security Relationship has been an anchor of European and U.S. foreign policy since the closing days of World War II. As the conflict drew to a close, a new one rose from its ashes.
