He s keeping busy with renovations on the new house that he and his wife, Mel Soames, the newly appointed chief of police in Bellingham, Washington, have bought. But new fixtures and paint palettes can occupy only so much of Beau s daily life, and Mel is encouraging him to return to where he is needed: investigating crimes.In the meantime, she is struggling to gain control of her new situation, cast into a department where some are welcoming and some are not. It s been a few months, and the tension in the police department is rising, but Beau realizes Mel has to tackle things in her own way, so he refrains from advising.
