Close Encounters of the Old West

By Logan Hawkes

Createspace, United States, 2011. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Long before the X-Files, nearly 70 years before Roswell, President James Garfield, mortally wounded by an assassin's bullet, summoned a young, educated Cherokee half-breed, Jonah Ten Killer Montana, to his seaside retreat to launch a campaign to investigate unexplained and troublesome mysteries plaguing the post Civil War nation. Mysterious airships were being sighted, tales of strange and often alien creatures were threatening to hamper the spread of civilization westward, fantastic supernatural tales of Indian lore were frightening settlements, and there were rumors of a diabolical secret plot to disrupt the Young Republic's very existence through conspiracies and key assassinations in a diabolical plan to change the face of a fledgling nation and establish a One World Order masterminded by a diabolical and ancient alien race. Montana is charged by the President with initiating a campaign to uncover the truth behind America's most puzzling and threatening mysteries, and to report directly to the nation's chief executive. With the counsel of his grandfather, a full blood Cherokee elder and spiritual leader with ancient knowledge and unexplained...
