Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Danny is the story of a true event about a man with Down syndrome who was senselessly and viciously murdered. His life is recounted, and the criminal investigation, trial and its results are laid out for the readers scrutiny. Only then are readers able to understand what happened to the criminals and to Dannys family. Throughout Dannys life there were many crises, which he overcame by the strength of his personality and family support. Danny had many clear-headed attributes, and he certainly utilized his intellectual abilities to their maximum. Out of determination and need, Danny created his own business enabling him to become self-supporting and financially independent. But rather than giving him the recognition he deserves, we are left pondering his fate. Danny was brave and didnt submit to his aggressors. His bravery was no different than a soldiers on the field of battle. Dannys death, unfortunately, presents us with a dilemma: Did he fail to receive equal justice under the law, because he was handicapped In many ways, our society and the people who govern it appear to be unable to properly cope with individuals like Danny. On the face of it, for whatever reason, our highly technical society is regrettably able to abstract itself from the needs of its less fortunate members. Heroes are not selected. If they were, they would all be glamorous, rich and, perhaps, celebrities. In reality, we must accept a hero from whence he comes. Danny was an authentic hero, even though he came to us from poverty and obscurity. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
