This 12-week diet journal is adaptable to almost any diet. Whatever you're tracking-calories, carbs, fat, fiber, sodium, or other units-this food tracker has a place for it. You can also record your activity or mood. At the beginning of every week, there's a space to record your weight and/or measurements (bust/chest, waist, hips, arms, legs), your goals for the week, and any notes. There's also a space for you to plan fun activities for the week. (Yes, you need to take time to have fun on your diet!). In addition, there's a page of helpful hints for following a weight loss program. More than one research study has shown that keeping track of what you eat is essential in a weight-loss program. So track your food-the results may astound you!
