The Serengeti Plane: Book One: Take Off

By Thomas Dowling

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome aboard! One hundred and fifty crocodile feet long and serving a wholesome selection of vines and grubs, the Silver Albatross is a little unique, and today is her maiden flight. From the recycled materials used in her construction to the half hound, half penguin crew that man her, this metallic bird is a major breakthrough for endangered animals everywhere. The passengers are a little unique too. The dieting hippopotamus, the modelling chameleon, and the poker-playing cat pack all hope to realise one unified dream: to finally level the playing field humankind has created in its continuous encroachment of their habitat. But where animals are concerned, things aren't always plane sailing. And that mysterious crate at the back of the plane is prepared to throw everything off course.

Reviews

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
