Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Handy Guide to the Southeastern States: Including Florida Georgia, the Carolinas and the Gulf Coast This volume, of the series of Rand, McNally Co. s American guide books, deals with the southeastern part of the United States, from Virginia and Tennessee to the Mississippi River, with especial attention to Florida. This is a region not only of great industrial and social attractiveness and of constantly increasing prosperity, but having a climate, and the means for health and pleasure, which induce a large and steadily enlarging migration from the North in winter. To its mountainous northern borders, on the other hand, the citizens of towns upon the coast and lowlands resort in summer to escape the heat, or to renew their health at the springs that abound along the Blue Ridge and Alleghanian ranges. The editor has considered this region by following its main through lines of transportation, - first for convenience sake - the ocean routes between the Northern and Southern seaports, and then the inland routes, proceeding from east to west. He has endeavored to describe the most noteworthy features of scenery industries, sport, and history along each of these lines, succinctly, accurately, and impartially, and by cross-references back and forth to complete the account of every district without needless repetition. As the wants of the pleasure traveler and health seeker have been especially in view, the most attention has been paid to places whither such travelers resort for amusement or benefit, and care has been taken to present them in the most candid and helpful light, saying little or nothing about that which is deemed worth little attention. Certain places or objects of particular...
