Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Alarms and Discursions I could wish that this string of loose papers, if it was to bear some such name, had been called after the conventional version of the Elizabethan stage-direction, and named Alarums and Excursions. If I were constrained to put my moral philosophy in one sentence, I could not do it more satisfactorily (to myself) than by saying that I am in favour of alarums and against alarms. It is vain to tell me that these two words were the same once and come from a common derivation. The people who trust to derivations are always wrong: for they ignore the life and adventures of a word, and all that it has done since it was born. People of that sort would say that every man who lives in a villa is a villain. They would say that being chivalrous is the same as being horsey. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
