EMBODIED INTERACTION: LANGUAGE AND BODY IN THE MATERIAL WORLD

Cambridge University Press. Paperback. Book Condition: New. Paperback. 326 pages. Dimensions: 10.9in. x 8.5in. x 0.8in. How do people organize their body movement and talk when they interact with one another in the material world? How do they coordinate linguistic structures with bodily resources (such as gaze and gesture) to bring about coherent and intelligible courses of action? How are physical settings, artifacts, technologies, and non-linguistic sign-systems implicated in social interaction and shared cognition? This volume brings together advanced work by...

Reviews

This written publication is wonderful. It really is simplified but unexpected situations inside the fifty percent in the pdf. You will not truly feel monotony at any moment of the time (that's what catalogues are for about in the event you request me).

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
