The barn was fully involved in flames when we rolled up. I was a Fire Captain then, so I quickly organized two teams of two firefighters each to handle the 1 1/2 attack lines. I was between them as we were advancing toward the flames when I began to hear strange buzzing and whizzing sounds. Buzzzzzzzzzz.thunk! Whizzzzzzzz.thunk! I was pondering this when I saw a bullet on the ground and I realized that the fire was shooting at us! Warnersville is a glimpse into small town life in the 1970 and early 1980 s with all its drama, comedy and characters. Susan writes about some of the incidents she responded to as a pioneer woman in the fire service, and also some of the daily comedy experienced and the characters in a small town.
