This book is all tips--there are no special effects: no flaming type, no glows, etc.--it's just packed cover-to-cover with nothing little-known tricks and tips that the pros use every day to get twice the work done in half the time. The idea behind this book comes from something that every great Photoshop book already has--those valuable little sidebar tips. We found that we often read those tips first, before we'd even actually read the chapter. The only problem is, there's just not enough of 'em. So we thought, "Wouldn't it be cool if there was a Photoshop book, and the whole book, cover-to-cover, was nothing but those great sidebar tips." That's what we've created in this book, which is all about the fun (and bragging rights) that come with knowing "all the inside tips." The reason why the book's slogan is...
