Henry Holt Company Inc, United States, 2003. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A revised and updated edition of this popular step-by-step guide to baby developmentWhen Baby Steps was first published in 1993, it was named one of the 10 Best Parenting Books by Child magazine. Now, this popular guide to baby s first two years has been completely revised to incorporate the latest research on the young child s developing brain and behavior, including brand-new material on temperament, language, and memory. Baby Steps pinpoints the important events in an infant s life, examining them month by month for the first year, and in three-month intervals during the second year. Beginning with a miniguide to early development, the book goes on to a cover such important subjects as sleep, crying, colic, motor development, social play, and toilet training. Developmental hints and alerts throughout the book provide parents with a clear understanding of the full range of normal behaviors for each phase, helping to allay common anxieties.An accessible, concrete guide to infant and toddler behavior, Baby Steps takes much of the guesswork out of parenting.
