Pearson Education (US), United States, 2011. Paperback. Book Condition: New. 3rd Revised edition. 232 x 178 mm. Language: English . Brand New Book. Praise for Previous Edition of Joomla!: A User s Guide A complete guide to the powerful features of Joomla! 1.5, this book takes a holistic approach to building a Joomla!-powered website--from the CMS itself to its many extensions, search engine optimization, and even building your own tableless template. The novice reader is eased into the subject and confidently guided through the basic principles and on to the more advanced features. This guide empowers the user not only to build a professional website but to also to make it a success. --Russell Walker, CEO, Netshine Software Limited (Joomla! Development Consultancy) If you ve been using or following Joomla! in the past years, you ve most likely seen the name Barrie North or Joomlashack. Barrie has been a member of the community for a long time and, as such, my expectations for this book were pretty high. Besides explaining how Joomla! works from a usability point of view, there is valuable information for people who want to learn serious template building, and readers can stand out of the crowd by using Barrie s steps to make their (X)HTML and CSS optimized for accessibility and SEO. All in all, this book is a great guide that comes at the right time for newcomers and more experienced Joomla! users and developers alike. Well done, Barrie! --Arno Zijlstra, Joomla! cofounder, custom template specialist, In a time when solid, real-life Joomla! 1.5 information is rarely available, this book is a thirst-quenching oasis of knowledge. The abundant and clear examples in the book make Joomla! 1.5 websites within anyone s reach. I heartily recommend Joomla! 1.5: A User s Guide by Barrie North. --Tom...
